Aloha,

Welcome to Emmanuel Lutheran School!!

We are thrilled that you have chosen to be part of our school 'Ohana (family).

We are proud of the excellent academic curriculum Emmanuel offers our students.

Our teachers all hold a minimum of a Bachelor's degree in Education with many of them also having earned advanced degrees.

They are eager to share their expertise with your children!

We pray your family will be blessed by the Christian education that your children will receive here.

It is our hope that as you and your children read our Handbook that you gain insight into Emmanuel's philosophy as well as our purpose, mission, values, and vision.

The most important part of the education your child will receive here is knowing the love of Jesus Christ which is woven throughout the curricula.

It is our hope that through these teachings, and seeing this love modeled by our faculty and staff, students will reflect Christian living through a positive and loving attitude toward others in the classroom and in their daily lives.

Proverbs 22:6 reads, "Train up a child in the way he should go, so that when he is old he will not depart from it."

Being a part of Emmanuel Lutheran School is part of building a strong foundation for your children and their future as they interact with their local and global communities.

Our focus is to provide all our children with the support and encouragement needed to develop a lifetime love of learning.

The best way for us to help your child develop the blessings God has given is through an active partnership with you.

Please do not hesitate to get in touch with me, the school office, or your teachers if we can help you in any way.

Sincerely,

David Hobus, M.Ed

Emmanuel Lutheran Elementary School Principal

## WHAT WE BELIEVE

- We believe that the Bible is God’s Word.
- It is accurate and applicable to our lives today.
- We believe in the inerrancy of the Holy Bible.
- We claim the promises written in the Holy Bible.
- We believe there is one God in three persons: The Father, The Son (Jesus Christ), and The Holy Spirit.
- God is loving, gracious, and without sin.
- When sin entered the world, it separated us from Him.
- God sent His Son, Jesus Christ, to reconcile humanity to Him.
- “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.” John 3:16-17
- Jesus lived on earth without sin, died on the cross, and rose again in victory over death for each of us.
- Because of this, all of humanity can be freed from sin through God’s grace.
- Those who receive the promises of the Holy Bible have a mission to be part of God’s restoration plan.
- We believe that there is life after death, both Heaven and Hell.
- We believe that Jesus is coming back to earth to make all things new again and to judge the world.

## **Enrollment Incentive**

We want to increase our enrollment!

We would love to see full classes here at Emmanuel! (We do have class size limits.)

We want to give the opportunity for a Christian Education to as many children on Maui as possible because we *BELIEVE* that what we are doing here not only has future blessings for our students and their families, but eternal ones as well!

### **Here is why a full school is important to YOU!**

- It allows us to attract and retain high quality staff.
- It helps provide diversity of interests, abilities, and backgrounds in our student population.
- It provides us with the funds needed to maintain and improve our campus and facilities.
- It allows us the means to expand our programs and offerings.

### **Here is how you can help!**

1. Tell people you know about Emmanuel!
2. Encourage them to visit our website, call for a campus tour, or to schedule an appointment to meet with our Principal to answer any questions.

4. If they do enroll and are accepted, the school will give you a \$500 credit good towards the following school year as long as the family completes the first year and re-registers for the following year.
5. You may apply that credit to your account, gift it to someone currently enrolled that may need the help, or credit it to the new family you invited.
6. In addition, the new family will also receive a \$500 credit after completing the first school year to be used when they re-enroll for the next year!

## **Re-Enrollment, Promotion, and Retention**

  - Students may not re-enroll for the following school year until all accounts are paid in full. (This applies to families who have violated the 60 day non payment limit)

## **ANTI-BULLYING/HARASSMENT POLICY**

- Emmanuel Lutheran School does not tolerate bullying, harassment or intimidation by students, teachers or staff. Teachers will actively and consistently teach and model positive behavior(s).

- Bullying is when one or more people repeatedly harm, put down, harass, intimidate or exclude others. Bullying involves an imbalance of power or strength (including but not limited to social status, popularity with peers, age, education, physical strength or size, or a combination of these). It can take place face to face or behind the back.
- Bullying can take many forms, including but not limited to:
  - Physical (such as hitting or punching, or taking property from others);
  - Verbal (such as teasing, name calling, putting others down, or spreading rumors);
  - Nonverbal or emotional (such as intimidation using gestures or social exclusion); and
  - Cyberbullying or bullying through note writing (such as sending insulting messages by email, texting on cell phones, or social networks, or sending insulting notes to others in the classroom).
  - All forms of bullying are prohibited between students on or off campus, during and after school hours.
- Reporting: Students and/or bystanders should report bullying behavior to any trusted staff member. Parents report to the teacher or principal.
- Consequences: Bullying is considered “Severe Misconduct,” and requires notification of parents and may even include being expelled from ELS even after the first offense depending on the severity. All final decisions rest with the Principal or their representative.
- The supervising teacher and/or Principal will investigate to determine if bullying took place. All substantiated incidents of bullying will be documented and the following consequences will be applied:
- 1st Offense: Loss of recess or detention; offender and victim meet with teacher separately; parents of both offender and victim are notified of the incident.

- the native Hawaiian State song,
- birthday greetings, and

## **ATTENDANCE POLICY**

- Regular attendance and punctuality are essential if a student is to make use of the educational opportunities our school offers.
- Regular attendance develops dependability and responsibility in the student and contributes to his or her academic achievement.
- Parents are strongly advised to plan family trips during scheduled school holidays and intersessions. Excessive absences and tardiness interfere with a student's learning and hampers academic achievement.
- Refer to the Special Events section.

---

## Tardy

- Although at times it cannot be prevented, coming late to class is disruptive to the class routine and to the learning environment.
- Our school will continue to push for punctuality.
- **Students who arrive after the school start time must report to the school office.**
- A child is considered tardy if he/she is not in his/her room by the school start time.
- To emphasize the importance of promptness, parents will be notified by the Principal when a child has reached **ten** tardies in a semester.
- Every **three** tardies will count as one full-day of absence.
- **Tardies will be recorded on student progress reports, which are part of the official transcripts the school forwards to other schools.**
- **Tardies will be recorded on PRAXI.**
- **If a student is tardy for any reason, they must be admitted through the school office and receive an admittance slip before entering the classroom.**

## Excused Absences

Excused absences are those which are unavoidable and include the following:

- Illness of student
- Major illness or death of family member
- Trips or other absence which is approved at least one week in advance

## Reporting Student Absences

If a student is absent because of illness or other valid reason, a parent or guardian must call the school office **before the school start time** to report the absence on each day that the student is absent. Unless the office has been notified by phone on the day of the absence, a written excuse from the parent is required when the student returns.

## Returning from Absence

Children must be fever-free without medication for at least 24 hours before returning to school.

A doctor's slip may be requested upon return for absences of 3 or more consecutive school days.

## Extended and other Projected Student Absences

- It is in the best interest of the student's education that absence from school for reasons other than illness be kept to a minimum.
- Parents are strongly advised to plan family trips during scheduled school holidays and intersessions.
- If a planned absence is to occur, the parent is to communicate with the teacher to discuss the student's assignments prior to the absence.
- It is up to the teacher to decide if assignments are provided before or after a planned absence.
- It will be at the discretion of the teacher(s) if missed work is to be completed before the absence, turned in immediately upon return from the absence, or made up after the absence.
- If work is to be made up after the absence, a student is given a reasonable period to make up missed assignments, tests and quizzes.

## Students Leaving School During School Hours

- A parent must notify the office if a student needs to leave school during school hours.
- **The person picking the student up needs to sign the student out at the office.**
- **Students will not be released from the classroom.**
- The office will contact the classroom and have the student sent to the office.
- Consistent attendance at school, including punctuality, is considered extremely important for the progress of the student.

- 
- **Doctor and dental appointments should be scheduled outside of school hours whenever possible.**

**Emmanuel Lutheran School is a closed campus.**

- All parents and visitors are required to come to the school office before proceeding onto the campus.
- Withdrawal of a student(s) can only be done through the school office.
- Withdrawal will not be granted unless the individual withdrawing them has authorization on record on PRAXISchool. Identification may be checked for safety and security reasons.

## **BEHAVIORAL PROBATION**

- Students new to Emmanuel Lutheran School will be placed on behavioral probation for a period of one quarter.
- Students exhibiting severe behavioral problems during the school year will also be placed on behavioral probation.
- If the behavior does not improve, the child will be suspended or possibly released.
- Emmanuel Lutheran School reserves the right to make a judgment as to what is considered appropriate/inappropriate behavior.
- Students may be placed on behavioral probation at any time during the school year.

## **CALENDAR**

- The school calendar is available on the school website.
- The calendar is subject to change at the discretion of the Principal and does not constitute a contract to provide services.
- Changes that must be made will be communicated to school families as soon as possible.
- Refer to the Special Events section of this handbook.

## **CHAPEL**

- A regular school chapel service will be held each Wednesday morning.
- Parents, grandparents, or any other visitors are welcome to attend.
- Staff members and invited guest speakers lead these services on a rotating basis.
- Special speakers or changes in time will be announced as early as the information is available.
- At each chapel service, an offering will be collected and sent to the mission project designated for that quarter, semester, or year.

## **CHEATING/PLAGIARISM**

- Cheating is defined as using, submitting, or attempting to obtain data or answers by deceit or by means other than those authorized by the teacher.
- Cheating does not exemplify Christian character development.
- Because work done from cheating is not a true reflection of a student's ability, cheating will result in the total loss of credit on the test or assignment for the students involved.
- The teacher will notify parents if their child is involved in cheating.
- Additional disciplinary action may follow by the teacher or Principal.

## **CHILD ABUSE-NEGLECT**

- 
- In accord with Hawaii law, members of the school staff are obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, emotional abuse, emotional deprivation, physical neglect, inadequate supervision, or sexual abuse and exploitation.
  - In this very serious and legally narrow area, the school will not contact parents in advance of making a report to legal authorities which would be the procedure followed in most other legal matters.
  - The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of reasonable suspicion of abuse be made.
  - School staff will make such reports in the best interests of the affected child and do not, once reasonable suspicion is established, have any legal alternative except to make a report to the proper authorities for their investigation and review.

## **COMMUNICATION**

- Write a note or speak words of commendation or encouragement to your child's teacher; it is amazing how much those gestures are appreciated.
- Periodically check with your child's teacher to see how things are going and to inform the teacher of anything unique at home that might affect your child at school.
- We request that classroom activities not be interrupted during the school day.
- You may contact the school office or email a teacher to request a teacher contact.
- The teacher will return your call or email at a time that will not disrupt the school day.
- Teachers also eat with their students.
- Each morning the faculty meets at 7 am with devotions. They are not available during this time unless there is an emergency.
- Avoid "on the spot" conferences. All teachers are required to be on "after school duty" at the end of the day.
- They cannot adequately keep an eye on traffic flow and conduct a serious conversation at the same time.
- Teachers cannot schedule conferences until 15 minutes after the school day ends.
- Feel free to greet teachers, encourage them, and smile at them when you see them after school.
- Informal questions or quick comments are great, but save the involved discussions for a professional setting.
- Teachers are listed on the ELS website with their contact information.
- Teachers utilize morning time to arrange the daily learning experiences for students.
- Please respect this morning time.
- Teachers should not be approached for reasons that would normally require a meeting before school without an appointment.
- Teachers are available for meetings with parents by appointment.
- This will allow the teacher to provide parents their full attention and time needed to have an effective discussion or plan together.
- Please call to make meeting arrangements after school has been dismissed for the day.
- ELS encourages positive parent-teacher relations, with verbal communication recommended over email.
- ELS has a website ([els-maui.org](http://els-maui.org)), maintains a Facebook page, and uses PRAXISchool to help keep our families informed.
- Parents can stay informed about grades and assignment completion by checking progress on PRAXISchool regularly.
- Emergency information, school closings, and other important information will be sent out to parents via PRAXISchool and on KPOA 93.5 FM.
- Several teachers also email newsletters. It is the parent's responsibility to read these letters.
- Parent-teacher conferences are formally scheduled at the end of the first and third quarters.

## **CONFLICT RESOLUTION**

---

The purpose of this policy is to serve the ELS community by;

- providing a procedure by which adults may seek resolution to concerns or complaints directly related to themselves or their child,
- creating a clear process for ELS employees to follow to assist in the resolution of concerns or complaints.
- **“Concerns”** are non-formal discussions between an adult and the staff member directly related to the conflict that can be handled by the staff member to the mutual satisfaction of both parties.
- **“Complaints”** are formally directed in writing when a concern has not been satisfactorily resolved with the involvement of the principal.

#### **Addressing and Investigating Concerns/Complaints:**

- Encourage resolution of concerns by informal means whenever possible with all parties involved making themselves easily accessible, impartial, and non-adversarial.
- Establish history and facts of concern/complaint between all parties involved and meet personally to:
  - Clarify the nature of the concern/complaint and resolution sought.
  - Clarify the adult’s desire(s) for complete resolution and/or satisfaction.
  - Documentation begins at the complaint level.
- As with all interactions, there will be times that a parent has questions or concerns.
- It is vital that open, honest, and prompt communication takes place when this happens.
- Resolution can be reached in most situations when the following steps are taken:
- If you have a concern with a staff member, please take your concern to that person first.
  - Every effort should be made to resolve the dispute at this level.
- A conference with the Principal may be requested to facilitate resolution of the issue, if necessary.
- If at this point the conflict has not been resolved the chairman of the Board of Education may be contacted in writing.
- At the sole discretion of the Board Chairman the matter may be referred to the Principal or placed on the agenda of the next meeting of the Board of Education for discussion of the Board.
- In those cases, the decision of the Board of Education or the Principal is final.
- The final action of the Board of Education or the Principal will be communicated to the parties involved in writing.
- For the sake of all the parties involved, it is imperative that the above steps be taken in a confidential manner.
- Sharing a concern with other parents or other staff members has the potential of hurting all who are involved.
- Addressing concerns in the manner listed above, which is based on Matthew 18, can lead not only to resolution of the concern but also to growth on the part of all persons involved.
- The staff commits itself to the same steps in the case that they have a question or concern regarding a parent or a student.

## **CORPORAL PUNISHMENT**

- *Corporal punishment is prohibited at Emmanuel Lutheran School.*
- *Only that force which is necessary to restrain a child from harming people and/or property may be used by teachers or persons otherwise entrusted with the care and the supervision of Emmanuel’s students.*

## **DAMAGED AND LOST PROPERTY**

- At all times students, should regard school property with respect. Individuals willfully damaging property or neglecting to demonstrate proper care of textbooks, mobile learning devices, furniture,

---

lockers, fixtures, etc. will be responsible for the full cost of repair or replacement at the discretion of the principal.

- The cost of damaged equipment, lost textbooks/library books/ workbooks will be charged to the student's tuition account. Emmanuel Lutheran School reserves the right to hold the release of report cards and/or school records until accounts are cleared.
- "Lost and Found" items are kept in the school office. Please label all clothing and valuables.

## CODE OF CONDUCT/DISCIPLINE POLICY

### General Guidelines

- As a Christian school our approach to discipline flows from our relationship with Jesus Christ.
- The standards of behavior are based on God's Law -- the 10 Commandments.
- Here, we find the commands to love and respect God, honor and respect all those in authority, and treat others in ways which protect and uphold their well-being, possessions, and reputations.
- We expect all members of our school community to accept these standards of godly behavior.
- Our goals are for students to learn these standards, desire to live by them, and have the courage to do what is right, even when it is difficult. It is in this context that we are able to help our students recognize when they have done wrong, offer them forgiveness, and help them live according to God's desire for our lives.
- Students are then free to learn in a setting which both upholds high moral standards and allows for a loving, safe environment where we can learn to live with each other in a community.
- This process of teaching self-discipline involves parents, and for that reason, parents will be notified if a pattern of inappropriate behavior develops.

- **ELS distinguishes between the student, and student behavior.**
- Our aim is to correct unacceptable behavior while extending our love and God's grace to the student.
- We forgive, but maintain expectations.
- This requires a measured approach to misconduct, applying different levels of consequences for Misconduct, Repeated Misconduct and Severe Misconduct, as illustrated below.

**Misconduct** is the failure of a student to abide by the school's behavioral expectations.

Misconduct and consequences will be documented by a member of the staff and maintained by the student's teacher (level one) or by the Principal (level two).

**Repeated Misconduct** is misconduct that continues over time and that is not corrected by the student after Level One Consequences.

---

Repeated misconduct requires Level Two Consequences.

**Severe Misconduct** consists of dangerous behavior or misconduct of a more serious nature.

It includes, but is not limited to:

- Fighting/physical abuse;
- Bullying, intimidation or harassment (See Anti-Bullying Policy);
- Stealing;
- Cheating;
- Use/possession of controlled substances;
- Vandalism.

Students exhibiting Severe Misconduct will skip Level One Consequences.

Consequences may begin at any step in Level Two, including suspension and expulsion, as determined by the Principal.

**Level One Consequences (imposed at the classroom level):**

- Verbal reprimand;
- Make amends;
- Confiscation of inappropriate material;
- Loss of privilege (recess, free time, etc.);
- Time out, or temporary removal from the classroom;
- Specific duty relating to misconduct as determined by the teacher; and/or
- Communication with Parent;

**Level Two Consequences: (for Severe or Repeated Misconduct):**

**Parent Contact** – Staff member involved contacts the parents of the student(s) to inform of the misconduct. Communication is documented in the student's file;

**Principal/Student Conference** – Student will conference with principal regarding misconduct and appropriate further consequences.

Conference may include a phone call or letter to parents by student;

**Parent/Teacher/Principal/Student Conference** – Conference with student, parents, teacher, and Principal;

Level Three Consequences:

- Referral – Referral for counseling and/or testing as determined by the Principal and teacher is recommended if applicable (failure to comply will result in suspension);
- Suspension – Student is suspended for a specified period or until problem is resolved, at the Principal's discretion, or until specified conditions are met. The Board is notified.
- Dismissal – If the problem is unresolved through the above steps, the student may be dismissed and the Board is notified.

## **HOMEWORK**

- Homework at ELS is intended to provide students with the opportunity to practice skills they have learned in the classroom.
- While we value student learning and completing their school work, we also value the time that families need to spend together with one another.
- Homework is not intended to impede that time or prevent it from taking place.
- If a child's homework becomes too much, or creates stress on the family, we invite parents to talk to the teacher to discuss modifications that would be appropriate during that time.
- Assignments not completed at school may be brought home for completion by the next school day.
- Our students are given frequent opportunities to work on assignments in class during the day.
- However, homework will still need to be done.
- When students have homework, it is for one of the following reasons:
  - The teacher has assigned extra practice to be done at home.
  - The student did not make efficient use of the time available in the classroom to complete the assigned work.
  - A special project is assigned which requires extra work at home.
  - The student desires to do extra-credit or work beyond normal expectations.
- Students will be given two days for each day of absence to complete any missed work.
  - For example, if a student is absent for 2 days, he/she will have 4 days to complete the work, starting on the first day back to school.
  - On the second day of absence, a parent may call the office by 9:00am to request that the assignments be collected in the office for pickup after 3:00pm that day.
  - If a teacher is unable to fulfill this request due to his/ her schedule for the day, the assignments will be available at 3:00pm on the next day of school.
  - Assignments will not be available on the first day of absence.
  - In grades 5-8, students who do not turn in daily assignments on time will automatically receive a 10% grade drop when turned in to the teacher on the next school day.

- 
- The highest-grade assignments more than one day late will receive is 50%.
  - Please help your child make school work a priority.
  - A student should NOT be spending all of his/her after-school time doing school work.
  - The amount of homework depends upon the grade level, ability and study habits of the child.
  - An average time expectation for homework is approximately 10 minutes times (X) the student's grade level.
  - If a student is consistently spending more time than these guidelines suggest, please speak to the student's teacher immediately.
  - Parents can assist by providing encouragement and a quiet place to study.
  - Consult with the teacher if assignments are consistently burdensome.
  - Students in grades 3-8 will be expected to use a planner for keeping track of assignments.
  - Parents are encouraged to check these planners daily to ensure that students are staying current with assignments.
  - Parents of students in grades 3-8 should regularly check PRAXISchool for updates on their child's completion of assignments and performance.
  - Textbooks should return to school each day for use in class.
  - Teachers may lower grades for incomplete assignments.

- Held in the Fall and Spring.
- These events are great opportunities for you to experience your child's love for Christ.
- It is an opportunity for fellowship with school and church members.
- Student participation is mandatory and part of their quarterly grade.

#### ***Here is why it is important for your child to attend:***

First, it honors your commitment to our school that you made when you enrolled your child.

This handbook clearly states that attendance at these two services a school year are part of the commitment you made to us.

---

Because it is so important, we make sure to include the dates on our online Year Calendar.

Many people think, "Well, it is just one child. What will that matter?" But it does matter.

Your child's attendance not only honors your commitment, but is an encouragement to the other children in the classroom, and to our teachers as well.

Think of how discouraging it is for teachers to prepare something with their students only to find that a number of their student's families did not think it was important enough to attend?

Imagine also a family who rearranges their commitments and perhaps re-prioritizes them and is present on Children's Sunday only to look around and see that a number of families did not make the same effort. It does matter. Your presence does matter.

Secondly, it is our school's opportunity to give something back to Emmanuel's congregation.

This is a great opportunity to teach this concept and to discuss with your children that Emmanuel Lutheran Church, through God's blessings, provides our school facilities rent free to us!

They built and maintain these facilities because they love the children of our community and believe in the value of Christian Education.

Members of the congregation are here on our campus every Saturday to mow, trim bushes, paint, fix leaks, etc., etc --- EVERY SATURDAY!

When you think of this kind of commitment, does one hour, two Sundays a year, seem like a lot to ask to show appreciation to the congregation by our students and families?

We believe Emmanuel's congregation deserves to see what their work and devotion all these years produces!
